NEWS

Beginning today, the content of emails that are sent to the entire HOA, from the Board, will be posted to our website (canaoestates2.com) under a heading called NEWS. If you believe your spam or junk folder ate an email from the Board, you can always visit the website.

Emails that include resident rosters will contain rosters only (no news), and will not be posted on the website, for our privacy and security.

SOCIALS

In actual news, we have some dates for Socials: Friday, October 23 and Thursday, December 3. Pencil those in on your calendar, and we'll get details out as the dates draw near.

Board meetings are scheduled for Mondays in the Canoa Hills Mesquite Room at 3pm. Tentative dates are Sept 7, Oct 26, and Dec 7. More to come when those dates are finalized.
