

Canoa Estates II HOA Approved Paint Colors

In order to maintain the attractive appearance of our neighborhood, the following colors have been established as the only approved colors for the exterior of our homes.

MESA TAN: This color is used on all overhead garage doors, textured wood siding and storage room entry doors. Mesa Tan is also used on exposed foundation walls (stem walls), downspouts, conduit, and service boxes that are against brick walls.

MESA TAN SP7: Dunn Edwards Architectural Hues Paint:

- * N448 – 3X (Gallon)
 - S1 1x 4.5000
 - W1 4x 19.7500
 - R3 0x 26.0000
 - Y1 2x 13.7500

CLIFF BROWN: This color is used on all stucco walls. It is also used on downspouts, conduit, and service boxes when they are against stucco.

CLIFF BROWN SP3: Dunn Edwards Arch. Hues Paint:

- * N447 – 2X (Gallon)
 - Y3 2x 14.5000
 - S1 0x 11.0000
 - R3 0x 13.7500

WEATHERED BROWN: This color is used for the underside of porch eaves, posts and beams.

WEATHERED BROWN SP56: Dunn Edwards Arch. Hues:

- * N447 – 4X (Gallon)
 - Y3 2x 13.5000
 - S1 6x 12.2500
 - W1 1x 27.7500
 - R3 1x 10.2500

BLACK: This color is used for iron fences, gates and security screen doors.

*These are Ace Hardware formulas, but can be duplicated.
